

Mr. Mohamad Mustahapa Bin Awang

Division Director

National Foods Terminal

Federal Agricultural Marketing Authority, Malaysia

Mr. Mohamad Mustahapa Bin Awang holds a Bachelor of Science (Hons) degree in Statistics and MBA majoring in Finance from National University of Malaysia.

Mohamad also has vast experience in the agricultural marketing and research. He joined Federal Agricultural Marketing Authority (FAMA) in 1985 as a statistician and has served in various departments and divisions in FAMA. He has held a number of senior management positions within FAMA. In 1994 to 1997, he served as corporate planner for FAMA Corporation Sdn Bhd (A wholly owned subsidiary of FAMA).

From 2000 to 2004, he served as a project manager to develop national foods terminal in Malaysia. In Jun 2005 to May 2008, he served as director of National Foods Terminal of FAMA. During the year 2000 to 2007, he did a study tour to the major wholesale markets in Japan, South Korea, Taiwan, Australia and South Africa. His studied was focused on distribution of fresh fruits and vegetables in those countries.

From Jun 2008 till now, he served as division director of National Foods Terminal in FAMA. In his new position, Mohamad will be responsible for the implementation and managing the National Foods Terminal in Malaysia.
